Outpatient Radiology Services

Outpatient diagnostic test and therapeutic services such as Radiology, Mammography, Ultrasound, Bone Density, CT, PET, and MRI are provided by our contracted Radiology providers. Prior authorization is required for many radiology and other procedures. Routine X-Rays, Bone Density Scans, Ultrasounds and Mammograms (annual screening) do not require prior authorization.

Urgent Care

Urgent care centers are for illnesses or injuries that do not appear to be life-threatening but can't wait until the next day. Urgent care centers also provide easy access to healthcare for times when your primary care physician is unavailable.
